BUILDING HOMES FOR GENERATIONS

CHARLOTTE 2

First Level **2,267 sf**

ELEVATION A/A2

The A and A2 Elevation share a near full masonry facade with timeless shake siding on the center gable. The A2 adds knee high stone, shutters and full brick to the front bedroom gable.

THE NEXT GENERATION OF STYLE

MJC homes are a lot like custom homes without the expense and added stress of starting with a blank canvas. Begin by browsing our newest collection of modern living designs and personalize the spaces that matter most to your family. Want a special style of cabinets and countertops? Unique flooring options? It's up to you. Personalize one of our award-winning home designs to your heart's content. Then sit back and watch your wory-free building expereince unfold. Come explore your options to live better with MJC.

A Wide Choice of Elevations Creates a Varied and Appealing Streetscape in Your Neighborhood.

ELEVATION B2

This elevation is similar to the B but eliminates the dormer and provides accenting stone just below the front bedroom window.

ELEVATION B

This elevation replaces the center gable with a decorative arched dormer and adds an elegant stone facade to the front bedroom and gable with shake accents. Shutters and brick accent the large front window.

ELEVATION C

Dressed to impress. This elevation features stone prominently across the garage and front bedroom facades with brick accents, shake on the center gable and garage dormer with decorative window..
