

## LOGAN DELUXE

First Level	2,194 sf
Second Level	1,836 sf
<b>Total</b>	<b>4,030 sf</b>

### Elevation A

The Logan Deluxe offers a stunning take on traditional design. The brick facade is highlighted with a stone base and a touch of lap siding on the upper level. This is an ideal elevation for families who value timeless traditional style with a flexible, open floor plan for modern living.

### The Next Generation of Style

MJC homes are a lot like custom homes without the expense and added stress of starting with a blank canvas. Begin by browsing our newest collection of modern living designs and personalize the spaces that matter most to your family. Want a special style of cabinets and countertops? Unique flooring options? It's up to you. Personalize one of our award-winning home designs to your heart's content. Then sit back and watch your worry-free building experience unfold. Come explore your options to live better with MJC.

## A Wide Choice of Elevations Creates a Varied and Appealing Streetscape in Your Neighborhood

### ELEVATION B

This premium elevation includes many influences from French country homes including its varied rooflines, dormer and prominent two-story entry porch, brick, stone and a touch of traditional lap siding balance the eclectic palette of materials.

Windows are framed in limestone to add style and substance to this exceptional home.
