

## MARISA II

First Level

1,924 sf

### ELEVATION A

The Marisa II represents a unique fusion of classic architecture paired with charming French Country design. This delicate balance of stately brick and lap siding with rustic accents create unmatched style and elegance.

### THE NEXT GENERATION OF STYLE

MJC homes are a lot like custom homes without the expense and added stress of starting with a blank canvas. Begin by browsing our newest collection of modern living designs and personalize the spaces that matter most to your family. Want a special style of cabinets and countertops? Unique flooring options? It's up to you. Personalize one of our award-winning home designs to your heart's content. Then sit back and watch your worry-free building experience unfold. Come explore your options to live better with MJC.

### ELEVATION B

Punctuated with three gables to create a unique twist on a classic design theme, this richly detailed brick ranch is accented with decorative gable venting, circle top windows and rustic shutters.

### ELEVATION C

Stone and brick add an elegance to the façade of this elevation. A large transom above the front door will flood light into the main living area. Brick and trim arches above the garages and varied roof line heights add visual interest and curb appeal.

### ELEVATION D

Beautiful shake siding and brick accent the contours of the first floor of the elevation. Additional flourishes include the roof overhang above the garage and windows highlighting the three gable of the roof.

### ELEVATION E

Beautiful modern take on the classic ranch plan, dormer above front entry and garage brick shoulder height allow additional customization to contemporary tastes.
