ELEVATION B

European Charm: This French Eclectic elevation blends classic French architecture with modern elements. The asymmetrical façade with its varied rooflines and window placements creates a dynamic and visually interesting exterior, and the combination of stone and brick adds texture and warmth.

ELEVATION C

Warm and Inviting: This Craftsman elevation celebrates the beauty of natural materials and handcrafted details. The gabled roof with its decorative brackets is a hallmark of Craftsman style. The metal awnings add a modern touch while the combination of stone and wood accents adds warmth and texture to the home's exterior. The wide front porch with its sturdy columns and decorative brackets is
