Open design with 9-foot ceilings and the option of a cathedral ceiling add to the captivating appeal. The great room, dining room and kitchen are all flooded with natural light. A L-shaped kitchen with an island snack bar flows into the dining room which connects to the outdoor patio or balcony. Need a place to run the household, add the optional central command center.

The owner's suite includes a private bath and oversized walk-in closet. The second bedroom adjoins another full bath. A two-car garage leads directly into the first floor laundry room. Need additional living space, the full basement can be finished to give you the room you need.
