

Dual Front Elevation

PARC RANCH

First Level 1,416 sf

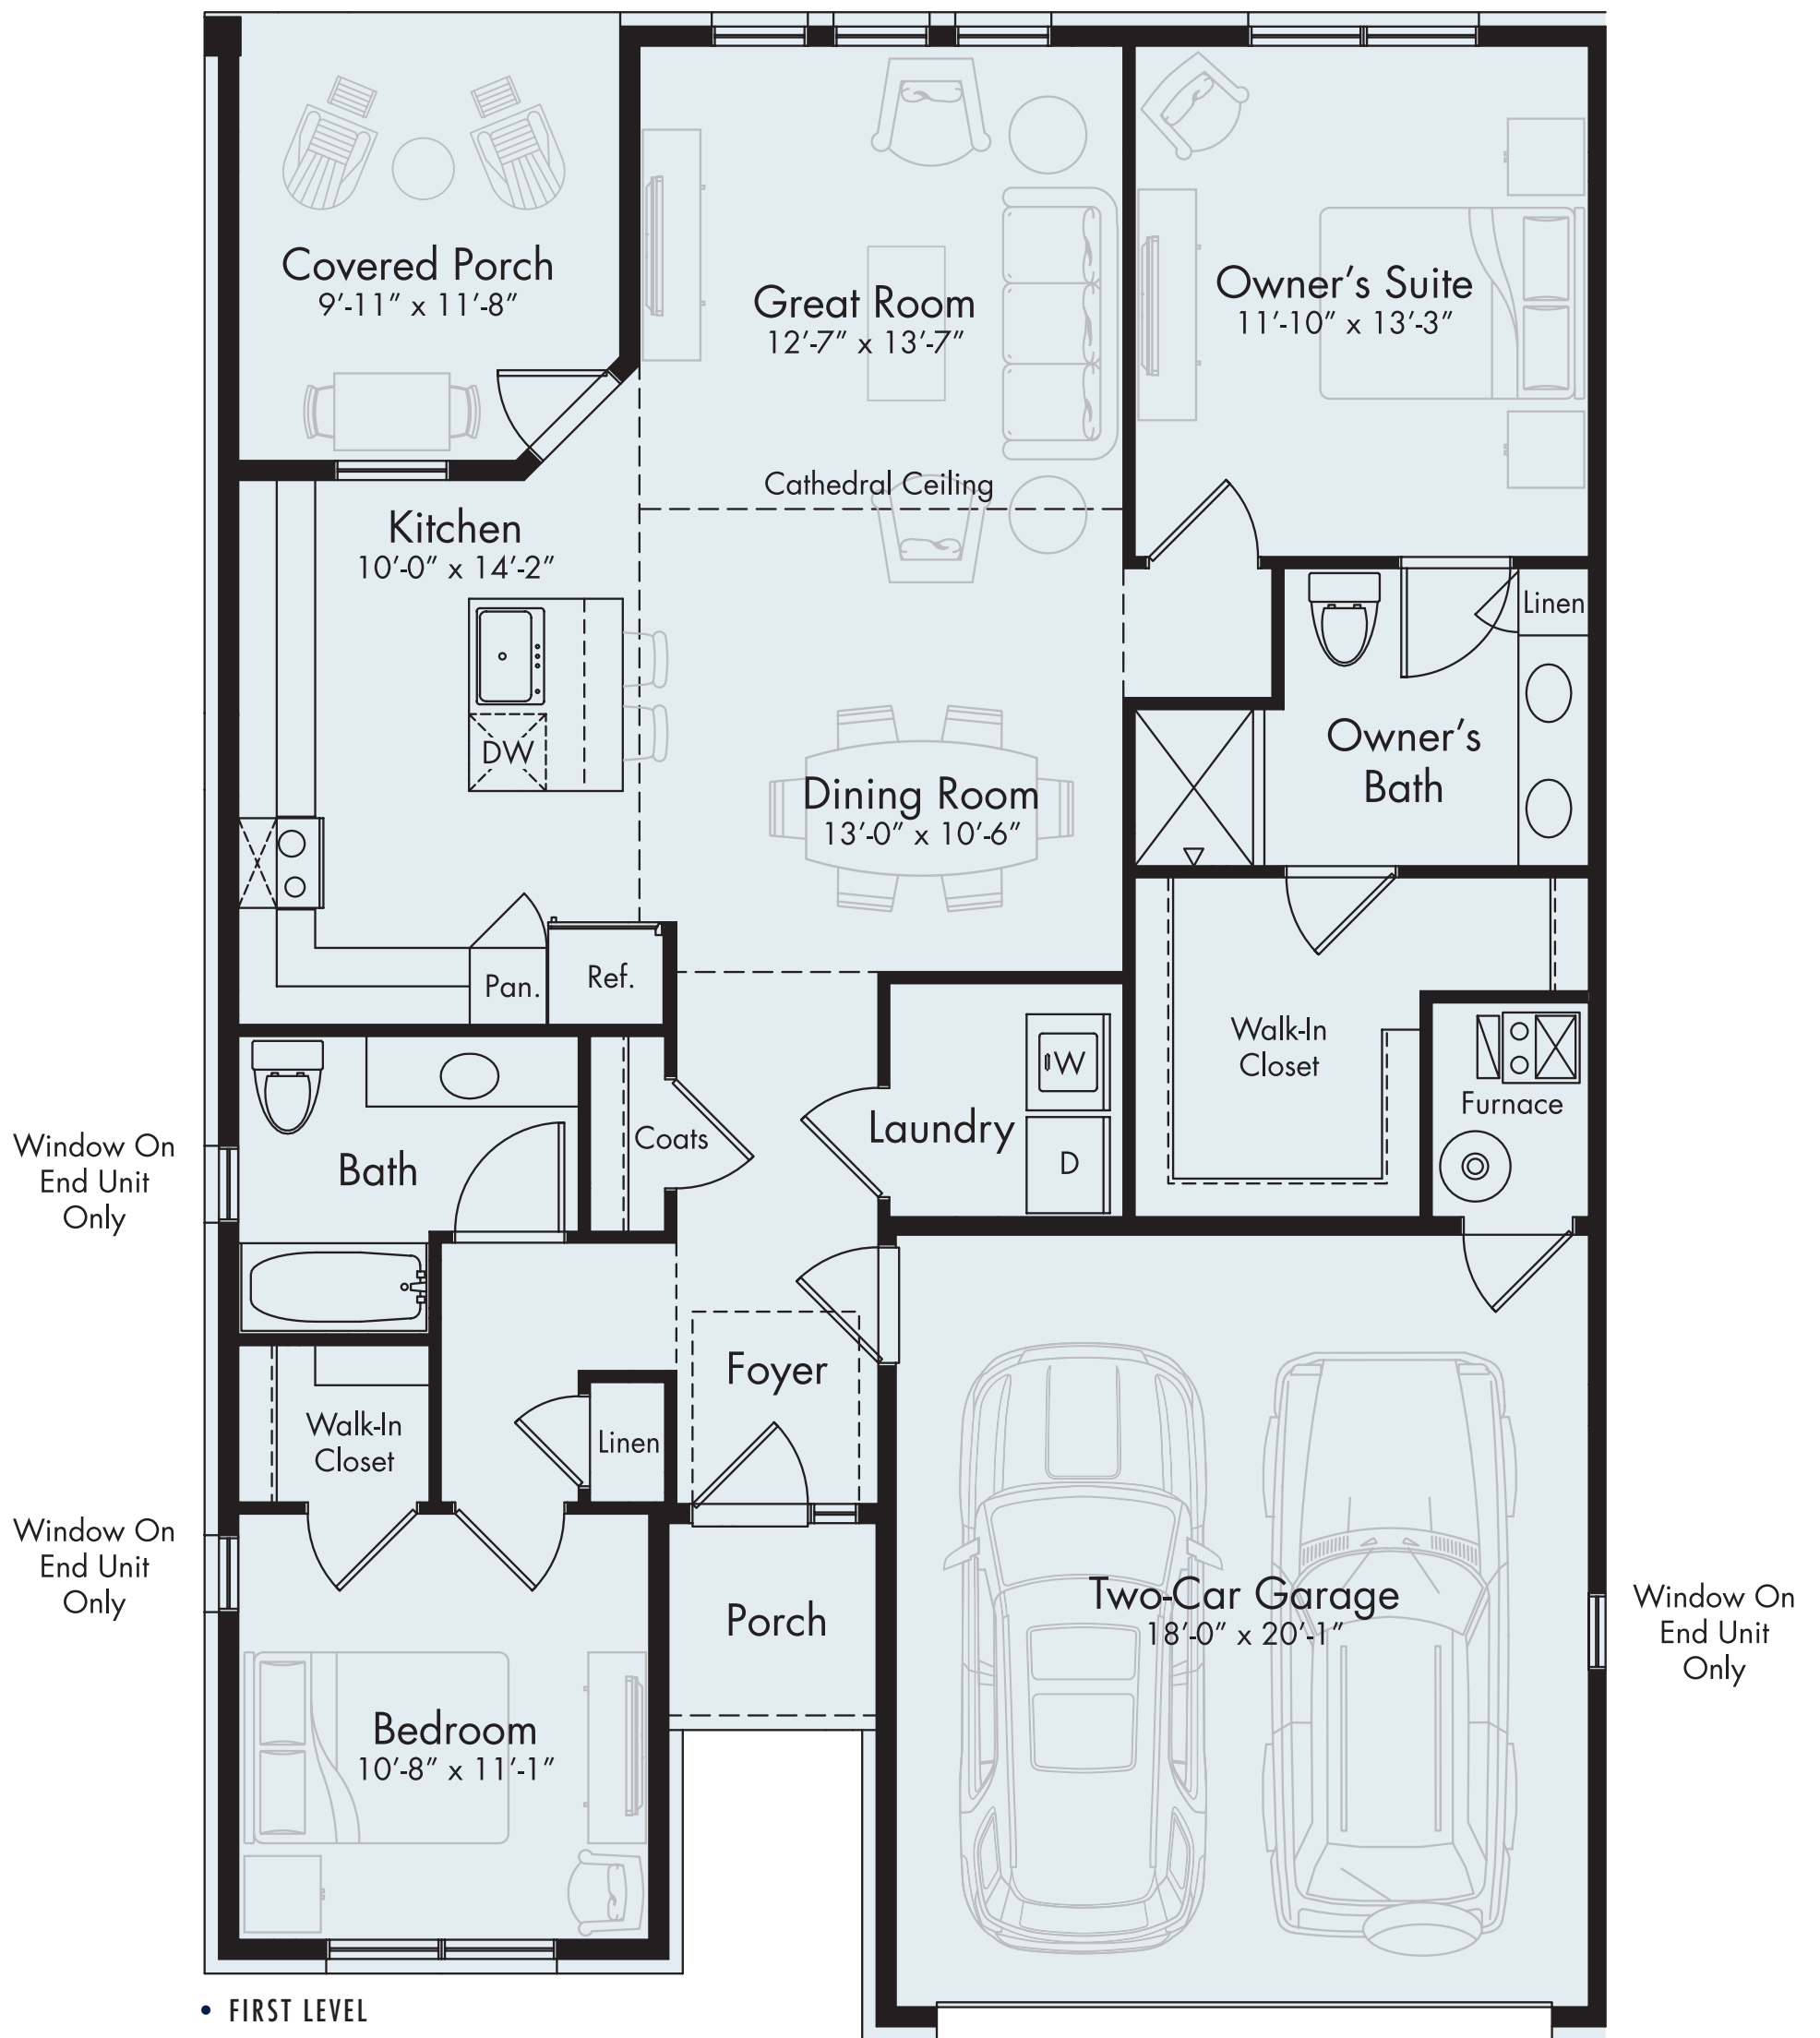

THE NEXT GENERATION OF STYLE

MJC's newest collection of homes with luxury features. First, the fresh elevations combine a sophisticated blend of brick and siding for that classic architectural appeal. Secondly, there are distinctive color palettes to provide the streetscape with a varied, yet harmoniously compatible style. However, the biggest news is hidden from view! The back of each home includes a private covered porch to expand the living space outdoors.

PARC RANCH

First Level

1,416 sf

One-level living at its best. The Parc Ranch, with its open floor plan, allows easy flow from room to room. As you enter from the front foyer, you walk directly into the dining room, which shares a cathedral ceiling with the great room. Adjacent is a large L-shaped kitchen with plenty of counter space for meal preparation and a center island with a convenient snackbar. Off the living space is the Owner's Suite with a private bath, dual sinks and an oversized walk-in closet. Tucked off the foyer is a second bedroom with a walk-in closet and a full bath right outside. Enjoy being outdoors, the private covered porch will allow you to extend your living space even further and enjoy the warm summer days and nights. You'll love this home the minute you walk through the front door.

Quad Front Elevation

Quad Rear Elevation

MJC's new cutting-edge homes display a beautiful sense of traditional style and proportion. Each home includes professional landscaping with sod yards and a sprinkler system. Now you can enjoy lock-and-leave freedom with landscape, lawn and snow removal included.

Dual Rear Elevation

For decades, MJC has been providing beautifully designed and artfully appointed ranch homes throughout Southeast Michigan. The company's fresh new collection of low-maintenance homes offers the simplicity of main-floor living that lives effortlessly.
